Skindulgence®

Pamper and replenish your skin as you drench yourself in the exquisite luxury of our Skindulgence® 30-Minute Non-Surgical Facelift System – and look years younger in just 30 minutes. Looking younger has never been so easy!

- Help your skin look more youthful and radiant
- Helps diminish the appearance of fine lines and wrinkles
- Helps improve skin tone and color
- Helps develop the feel of firmer facial muscles

Step 1: Cleanser

The Skindulgence® Cleanser was designed to thoroughly clean your skin, as well as to prepare your skin for the Masque application. It was specially designed to work together

with the Masque and Moisturizer to give your complexion the maximum benefit of the entire Skindulgence® 30-Minute Non-Surgical Facelift system.

Step 2: Masque

You could look years younger in just 30 minutes! The Skindulgence® 30-Minute Non-Surgical Facelift System is often compared to an exercise program for your face.

exercising regularly, your facial muscles may continue to feel more toned. It can also make your face feel vibrant and absolutely beautiful, and the botanical ingredients help replenish your skin's natural balance.

The skin on your face is one of a few areas where the nerve endings are actually attached to the skin. Much like isometric exercises of pressing two muscle groups against each other, the masque in the Skindulgence® 30-Minute Non-Surgical Facelift System hardens on your skin to provide the opposing surface for your facial muscles to 'isometrically exercise'. When using the System on a regular basis, like

Much like exercise, regular use provides the optimum results. For maximum benefit, use the Skindulgence 30-Minute Non-Surgical Facelift System every other day for the first 90 days, and twice a week thereafter. Let your mirror tell you the difference that just 30 minutes can make!

Step 3: Moisturizer

The Skindulgence® Moisturizer will hydrate your skin and leave it silky, soft and supple. Simply apply moisturizer generously to face and neck after masque and you'll see the difference Skindulgence® can make – in only 30 minutes.

With an extraordinary combination of natural botanicals and emollients, your complexion will be radiant and replenished. Once you experience the exquisite feel and scent of the Moisturizer you will

never use another. And now, you can get that same supple softness all over your body with Drenched!
